# CONTINGENCY PLAN

## CABLE CAR / GUIDED VISIT OF THE OBSERVATORY

If it is not possible to carry out the activity due to adverse weather conditions or for technical reasons, the full amount shall be reimbursed. In case of cloud cover conditions in the Observatory, the usual itinerary of the visit may be modified.

## TEIDE TOUR + CABLE CAR

In the event that weather conditions impede the operation of the cable car for the 'Teide Tour and Cable car ride' activity, the price of the cable car return ticket shall be reimbursed at the following rates: Adults €43.00 (non-resident) or €10.75 (resident); Children €21.50 (non-resident) or €5.38 (resident).

## SUNSET & STARS

In the event that weather conditions impede the operation of the cable car for the 'Sunset & Stars' activity, the sunset shall be enjoyed either from the Chio viewpoint or from Los Roques de García, and the price of the cable car return ticket shall be reimbursed at the following rates: Adults €72.00 (non-resident) or €50.40 (resident); Children €50.50 (non-resident) or €35.35 (resident). If weather conditions prevent astronomical observation, a refund of €37.00 per adult and €32.00 per child will be made in the case of non-residents and €24.50 per adult and €21.00 per child in the case of residents.

## ASTRONOMIC TOUR

If it is not possible to carry out the entire activity due to adverse weather conditions, the full amount shall be reimbursed. In the event that weather conditions prevent the visit to the Observatory from taking place, the price of the Night tour to Mount Teide (with or without picnic) shall be charged, and the difference shall be reimbursed.

In case of cloud cover conditions in the Observatory, the usual itinerary of the visit may be modified.

If weather conditions make astronomical observation difficult, €37.00 for adults or €24.50 (resident), and €32.00 for children or €21.00 (resident) shall be reimbursed.

## TEIDE BY NIGHT / ASTRONOMICAL OBSERVATION

In the event that weather conditions impede the astronomical observation, the amount paid for the activity shall be reimbursed (except for picnic received if any).

## ASCENT TO THE PEAK + CABLE CAR

With regard to the activities 'Climbing the Teide Crater' and 'VIP ascent to the Peak', in the event that weather conditions impede the operation of the cable car, a visit to the National Park with an alternative hike will be held instead. Customers will be refunded the following amounts for each activity option:

- Climbing the Teide Crater: Customers will be refunded the price difference between the 'Teide Tour without Cable Car' and the 'Climbing the Teide Crater' excursions, i.e., €52.00 per adult and €26.00 per child shall be charged.
- VIP ascent to the Peak by Cable Car with transport: Customers will be refunded the price difference between the 'Private Teide Tour' and the 'VIP ascent to the Peak with transport' excursions, i.e., €165.00 per person shall be charged up to a maximum of 2 participants, and €52.00 for each additional person. The difference paid shall be refunded.
- VIP ascent to the Peak by Cable Car without transport: €182.00 per person shall be charged up to a maximum of 2 participants, and €35.00 for each additional person. The difference paid shall be refunded.

In the event that the cable car is open but the trail used to ascend to the peak remains closed by Teide National Park staff, a visit to the National Park will be held with ascent by cable car up to La Rambleta, followed by an alternative hike. Should this occur, the following amounts shall be charged:

- Climbing the Teide Crater: Customers will be refunded the price difference between the 'Teide Tour with Cable Car' and the 'Climbing the Teide Crater' excursions, i.e., €92.00 per adult and €46.00 per child shall be charged.
- VIP ascent to the Peak by Cable Car with transport: Customers will be refunded the price difference between the 'Private Teide Tour with cable car' and the 'VIP ascent to the Peak with transport' excursions, i.e., €207.50 per person shall be charged up to a maximum of 2 participants, and €92.00 for each additional person. The difference paid shall be refunded.
- VIP ascent to the Peak by Cable Car without transport: €162.50 per person shall be charged up to a maximum of 2 participants, and €80.00 for each additional person. The difference paid shall be refunded.

## COLLABORATORS

In the case of reservations made by collaborators, whenever a full refund of the amount of any given activity applies, collaborators shall be reimbursed the agreed net amount.

## CANCELLATIONS

For all activities, changes to dates are valid for 1 year from the date of reservation/purchase if they have not been used. Up to 3 date changes are permitted.

Cancelling bookings for Teide Cable Car due to adverse weather conditions will be free of charge. Credit reservations affected by closures due to the weather will be automatically cancelled after 24 hours. You can cancel and/or change the date and time of unused bookings free of charge until 6.00pm on the day prior to the reserved date. Once this deadline has passed it will not be possible to make any changes or cancellations and Teide Cable Car will make no refunds/charge the full ticket price.

For the Sunset & Stars activity, date changes or cancellations can be made free of charge up to 48 hours prior to the activity. After this period, the cancellation carries a charge of 50% of the amount. If the cancellation takes place with less than 24 hours' notice, 100% of the amount will be charged.

For all other activities, date changes or cancellations can be made free of charge up to 24 hours prior to the activity. After this period, 100% of the amount will be charged.

Since the activities 'Climbing the Teide Crater' and 'VIP ascent to the Peak' include a permit to access the crater, we do not admit changes or cancellations once the reservation is confirmed. This is due to the way the National Park's permit issuing system works.

For private activities, date changes or cancellations can be made free of charge up to 72 hours prior to the activity. After this period, the cancellation carries a charge of 50% of the amount. If the cancellation takes place with less than 24 hours' notice, 100% of the amount will be charged. Up to 3 date changes are permitted.
